## Last Week's Run Report

### Run 667 – Location – Davilak Reserve, Hamilton Hill.

#### Hare – Franga.

They say that God must be a Hasher and with beautiful weather like last Wednesday there is very little doubt on the accuracy of that claim. A clear day followed by a fine evening ensured that Wednesday was the best night for Hashing. **FRANGER** had chosen a top location for his run and sent the collective pack on a trail that had everything - miles of punishing trail on roads and tracks, walls to scale, river crossings, dense jungle, volcano climbing and not to mention - a drink stop. The challenging trail caused some separation in the pack and Hashers returned to On-Home in dribs and drabs covered in cuts and bruises.

We tended to the injured and swapped stories of how we survived while the splash was prepared and the circle was called by our Grand Mattress – **COOKIE**.

**SLUSH BOX** was put on the spot when asked for the run number, he looked a bit worried that as if he didn't know the answer and was sweating like Mike Tyson at a spelling bee but eventually spat out "six six seven!" buoyed by his success in providing the correct answer, he enthusiastically love tapped the circle and went around a second time on a victory lap.

**HUMPER** was called in to receive her 300 runs badge and didn't she look happy? **RAMBLING, WISE CRACK** and **SPACKLE** were each given a down-down for not being seen for a long time. **PENGUIN** was welcomed back as a visitor.

We welcomed our newest member **LISA** to the fold, she was so bold that she even suggested the name *Manual Handler* for herself. This move prompted some to put forward the name '*Suggestive*' for her. Watch this space and watch her – we'll need to gather more intel before we name her.

**COOKIE** then handed proceedings over to the RA. **SKIPPY** called on the HARE for his down-down but he was nowhere to be found, GPS seized the opportunity and stepped forward to say that he thought the run was brilliant but didn't want **FRANGER** to hear it. **GPS** took the down down in the Hare's absence. **RUSTY, SPACKLE** and **HEADLIGHTS** were all charged for disappearing after only a few minutes into the run.

- **PINK BITS** called on **GPS** to explain why the words 'GPS is Fat' were scrawled across the trail in several places on last week's 666 run.
- **HUMPER** also charged **GPS** for calling out 'Wait for the old people' on the run.
- **WISE CRACK** charged **HUMPER** for being the last person amongst us to be in the USA, so she deserved a down

down for leaving the place in a political mess.

- **PINK BITS** charged **GPS** and **PENGUIN** for wearing Donald Trump Republican colours.
- **BLOW JOB** charged **SKIPPY** for being the most dangerous Hills Resident and setting fire to **SCREWDRIIVER's** wood pile last week.
- **D-CELL** charged **DIRTY DEEDS** for not having hash attire
- **RUSTY NUTS** charged **SKIPPY** for being the son of an American – by far the most serious charge of the evening.
- **SLUSHBOX** stepped forward and declared that an honorable mention should go to **HEADLIGHTS, ROWDY, BUTTER BUNS, HORNY FLASHER, D-CELL** and **COOKIE** for their outstanding behind the scenes efforts last week.

Somewhere in amongst the barrage of charges it was noted that **STEAMER** had forgotten to wear the naughty shorts, so he'll have to wear them next week or face the consequences. I say put him on ice.

**GPS** was invited to formally rate the runners trail and gave it 9 out of 10, adding that he loved it.

**BUTTER BUNS** rated the walk but I missed the score, she said that **FUMBLES'** normally fantastic sense of direction failed him and got him lost. **FRANGER** commented that **PINK BITS** and **TAGG** were the only ones to stay on trail properly.

Jokers **RUSTY NUTS, AH SUP** and **COOKIE** gave us a laugh.

General business:

- South of Perth Christmas run                      Thursday 15<sup>th</sup> Dec Fremantle Tennis Club

And so what was a bloody good circle came to an end with a fairly good effort of the club song and **FRANGER** fed us.

On-On,

### Fremantle Hash Song #2

(To the tune of 'Love to have a beer with Duncan')

Oh, I love to drink piss with Freo  
We're the mighty Freo Hash, We run in moderation  
We swear we root, and get smashed

On On with our mates on Wednesdays  
Cause the atmosphere is great  
Oh I love to have a run with Freo  
Cause Freo's me mate

You don't fuck around with Freo  
And get the RA all up tight  
He'll make you rip your gear off  
He'll put your arse on the ice

On On with our mates on Wednesdays  
Cause the atmosphere is great  
Oh I love to have a run with Freo  
Cause Freo's me mate (Shit yeah)  
I love to drink piss with Freo,  
Cause Freo's me mate **ON ON!**
