Last Week's Run Report

Run 667 – Location – Little High St in Fremantle. Hare – Checker, with a little help From British Open.

The second most anticipated run of the Hash calendar for 2016 came with big promises from the hare of what a Hash Run should be.

The crowd of thirty gathered in the lower level lobby of Checker Towers to hear the address from the Hare. He explained that everyone was about to learn a thing or two from the Master about setting a run and no-one was going to be disappointed. With those words ringing in their ears, the pack set off through the gates and into the wilds of Fremantle. The next we saw of them was at the drink stop some 30 minutes later.

Back at Checker Towers the exhausted and much wiser pack formed up a circle to bring the gathering to order. Our GM, **COOKIE** addressed the circle and singled out **SLUSHBOX** for the run number and building on his success over the past couple of weeks, he correctly answered once more – this guy is on a roll.

Two visitors had joined our ranks this week, **JOHN** and **TOSH** were given a warm welcome and a cold down-down.

LISA was put before the circle for a naming, apparently the tortuous trail had left her rear end feeling slightly sore and she made the mistake of disclosing this to others whilst on trail. This news filtered back to the GM and the name **THESOREARSE*** was bestowed upon her. (*spelling of THESOREARSE to be confirmed)

CHECKER was called in to face judgement of his run by the toughest critics we have, **HEADLIGHTS** ranked the run 8.5/10 because she was partial to some up and down motion it had provided but the wind was bit too strong to make the score perfect. The port at Port drink stop was a nice touch.

THESOREARSE was immediately thrust into the our sights once more with her review of the walker's trail, she explained it was the running on the walk that had made her arse sore but I'd like to know what the f##k was she running for if she's a walker? Anyway, she still thought it was a great trail and rated it at 7/10.

FRANGER found it difficult to keep his opinion of the trail to himself and got down-down also.

The RA took command of the circle and called for charges.

- **GPS** charged **STEAMER** for asking our visitor if **TOSH** was his hash name or real name.

- **BUTT-LESS, SLUSHBOX, SCREWDRIVER** and **TOSH** were all charged for being tardy.
- **SCREWDRIVER** was charged for disposing of his splash in an unhashlike manner.
- **HORNY FLASHER** charged **CHECKER** for upsetting members when dealing with their complaints.
- **CHECKER** charged **JOHN** for taking too long to fix his generator. Even if you're getting something done for nothing you still have a right to good service.
- **THESOREARSE** *nearly* charged the RA but was quickly warned that was a mortal sin.
- **STEAMER** was brought in to nominate someone to receive the Naughty Shorts. Three candidates were shortlisted and **STEAMER** received the shorts again – it didn't help that **STEAMER** was all three candidates.

AH-SUP entertained us with a true story and we closed the circle with the club song.

BRITISH OPEN had prepared a mountain of pasta, stacks of salad and buckets of garlic bread for us to enjoy, she looked pleased to see how much we enjoyed our food and was obviously exhausted from her effort as she could barely stand after her preparing so much food. Well done!

Run with H6 Freo

What do you do on a Wednesday evenin'
What do you do when the horn needs blowin'
What do you do when the trail needs blazin'
Run with H6 Freo

Heave Ho and Up she rises,

Fremantle Hash Song #2

(To the tune of 'Love to have a beer with Duncan')

Oh, I love to drink piss with Freo
We're the mighty Freo Hash, We run in moderation
We swear we root, and get smashed

On On with our mates on Wednesdays
Cause the atmosphere is great
Oh I love to have a run with Freo
Cause Freo's me mate

You don't fuck around with Freo
And get the RA all up tight
He'll make you rip your gear off
He'll put your arse on the ice

On On with our mates on Wednesdays
Cause the atmosphere is great
Oh I love to have a run with Freo
Cause Freo's me mate (Shit yeah)
I love to drink piss with Freo,
Cause Freo's me mate **ON ON!**
