### **Last Week's Run Report**

**Run 681 – Location – POINT WALTER.**

**Joint run with the Numbats – Hare:- Horny Flasher**

**Pink Bats Galore !**

As this was a joint run with the lovely Numb-bums (Tee Hee !) we were asked to wear some PINK attire to celebrate the day of LURVE and we did....What a great effort as sunnies were needed for the photo shoot..... Lovely location at Point Walter area and even the sunset became pink-ish..... The Hares ganged up and set a challenging run, a long walk and a long short-cutters walk. What the ....? With the promise of a drink stop, we picked up the pace and on reaching Blackwall Reach (NO DIVING...) we were rewarded with a drink stop WITH NO BOOZE.....HUH ? Icy poles are always good on a hot day but there wasn't even a splash of vodka in them and we looked, trust me ...we looked..... Ah well, hurrying back on-home we couldn't get back quick enough to get into the splash .....Bliss

Once everyone arrived back, both club GM's called the circle and got on with business. The run was awarded quite high marks by everyone. Complaints were few but the RA did charge the non-compliant Hasher for the bloomer faux pas.....Tut tut that's another week of wearing them NW ! (No you cant take them to Bali .....although they could be your travelling partner maybe.....?)The short-cutting walkers were charged quite rightly and various other down-downs were inflicted.

It was getting late so we moved on to a feast of chicken, salads and other extras and, I believe there was chocolate for dessert.

What a great night for both clubs

**ON-ON, again**

**Mystery Scribbler. (In the absence of the resident scribe).**

**See below for where to go.....For this week's run, that is.**
