### Last Week's Run Report

**Run No; 697 Hare; AC/DC**  
**Location; Piney Lakes Reserve, Winthrop.**

D-Cell To The Rescue.....

Due to circumstances beyond his control, AC/DC was unable to set the run and D-Cell stepped in at the last minute and ran off, with a big bit of chalk from Ah's Up, to set the run. Of course once runners and walkers found the initial trail marker (under a table ...really Dirty Deeds... what a place to stick a table ...) they set off with gusto ! (Good name for a Hasher ... Gusto !)

Knowing full well that D-Cell sets a great run, no-one was disappointed. It was very well marked with false trails and checks aplenty. For most of the way, runners and walkers were neck and neck, (no NOT necking ...although some were fined for sex on the run later) and spotted D-Cell who had finished the run and was herding Hashers, like sheep (Baa Haa !) back to the start where Dirty Deeds had a splendid drink stop. I overheard someone ask at the drink stop if it was much further to the finish (DOH !)

The circle voted the run as a 9.9999999 - almost a perfect score. As there was a \*person with significant disability\* parked in the disability parking bay, the RA commiserated with him and gave him a down-down....( His number plate has been reported to the local council)

There was a competition for the \*Dummy Spit Shorts\* and the person with disability won that easily, hands down (the front of the shorts)

Jokers and true story tellers did their stuff and after a jolly good rendition of the Freo. H. song, we watched in amazement as AC/DC pulled some fabulous meat ( I know what you are thinking and it was PORK... to put in buns ... to eat ... you know this is heading (groan) in the wrong direction ... food ... real food with sauce ... oh ! forget it )

Twas delicious...
