## Last Week's Run Report

**Run No; 702 Hare; Spackle ably assisted by WiseCrack**

**Location; Bullcreek... Benningfield Rd**

Loitering by the Toilets ... !!!

So it was a wet and watery wait for Hashers to arrive ... Obviously the RA was at home (tucked up by the fire asleep if she had any sense... !) no, no ... on hands and knees (oopps!) PRAYING , praying, ...what were you thinking ??? for the weather to fine up !

We gathered in a cosy (?) undercover area of a toilet block ...very Hash-like ... but as we were a reasonably large group eventually, this was not creepy at all ! In fact, just in time the Hare arrived, a little flustered due to washed out trail, and directed runners and walkers in various directions. He was stunned to find runners going off in the TOTALLY wrong direction ... but ...there you have it ...hash-like again. !

It was a very short run, due to precipitation, and walkers came back shortly after setting off, reasonably dry by having umbrellas !

NOT SO FOR THE RUNNERS ...

Oh no ... they returned very, very wet but exuberant as they had enjoyed their travels !

In the circle, the score was not bad and the RA had a ball dishing out the down-downs. So many people turned up late it was a \*charges-fest\* to behold ! Some fantastic jokes were shared and it turned out \* all right on the night ! \*

The dinner was yummy tummy-warming nosh and MUCH appreciated ... thanks !
