### Last Week's Run Report

**Run No; 705 Hare; Rambling**

**Location; Connigrave St Canning Vale**

GPS's Little One ! (also known as Ramblin's Rumble)

Wonderful night for a Freo Hash run ! There were early arrivers who slept for ages in the car ... or lurked about (you know who you are ... ) but once the circle was called,... we were quite a crowd ! Sadly, the RA was busy holding off the rain so was a \*no show\*

Once we were given our instructions, we set of and true to his/her form, it was a very well marked trail winding through the suburb and adjoining parks ! However, it was SHORT and LITTLE and after the drinks stop (with NO LOLLIES ...Quelle damage !) it was just a short trot to the start.

As the circle was formed into an oblong, we had a really good score for the run ... almost perfect ! It was so well marked, you would have had to struggle to get lost ! ... Then the MYSTERY stand-in RA appeared out of the crowd. Not as pretty as the regular RA, a bit wiry, stocky and hairy ! However, he did a splendid job of dishing out charges and keeping control of the pack (not !) Nah, he was really OK ! As the \*Dummy Spit\* shorts were still on the ample butt of Screwy, who was absent ! ... no one was presented with them this week.

There were the usual jokers and true story tellers to entertain the pack and then the BEST Freo song was sung with gusto ....

After that the hearty and warming nosh was brought out to sustain us ... Yum and thanks Rambiln'
