Last Week's Run Report

Run No; 709 Hare; Rusty Nuts for Committee
5th Avenue Café south St Beaconsfield

Change Her Name ? ... or ... Eat More Pasta :)

It was a very pleasant evening and as Hashers gathered around quite early, (suprisingly Dirty was early too !!!) & it was apparent that we would be quite a crowd. Pleasantries over, it was time for the trusty Rusty Hare to give us directions.

Needless to say there was the runners, fast walkers and the non-starters trails. All well marked and up to Freo Hash standards !!! The slow-ish walkers still managed to traverse a few streets and alleyways and criss-crossed with runners in the distance but arrived early-ish at the drink stop ... BUT WAIT ... NO DRINKS ... There was much mumbling and gnashing of teeth !

Panic and consternation over as the drink-bearers appeared from the gloom ! Must say, we had a most pleasant sit around in the park sharing stories and jokes ...then came the interruption of a gang of runners, spear-headed by Franga who whooshed by without stopping (must be great to be so fatNNNNOOOOOOO ... FIT ...I meant fit ...!) Anyway, needless to say, most other walkers and runners stopped for a quaff of fluid and then it was a short trot back to the start !

In the circle, the run was (over) rated as very good 8 - 9 out of 10 overall ! Well done again Rusty ...you are a master of run setting ...! The RA dished out more fines and we had a bit of a *possibility* of a RE-Naming (not really possible but a scare for Hellvino who also has a hairless pussycat at home ! No need to go into details ...!) There were jokers, true story tellers and other bits of stuff ...so good a night I can't rememberWhere are the Dummy-Spit pantaloons these days ? Then it was off for a fully filling pasta performance to end off the night !
