## Last Week's Run Report

**Hare; Wisecrack**  
**Location; Bibra Lake**

Suck It Up Sweetheart !

The sky looked very thunderous and foreboding but Hashers gathered at the venue in great anticipation of a good run. We were advised by the (aptly named ...) softballers to keep out of the licenced area so we made up our own ... Hashers are always innovative...

Once the Hare arrived and gave out instructions we set off at the usual cracking pace a there was to be a drink stop ..... runners were blazing a trail with front runner (and athlete Franga) and that was where the trouble started.!!! (Read later in circle details) There was a bit of intertwining going on the trail as the runners and walkers crossed paths (always a sign of a good run ...) Soon ... there it was ... the drink stop ....BUT ... this week it was a ..... SUCK stop. Yes, well there were the complaints as there was nothing else, but lets face it ... it was a cool moment !

Back at the venue, we had some refreshment and, once the \*LET THERE BE LIGHT\* happened (thanks to X-Ray) we gathered for the highlight ( Oh, I am droll !) of the night ... the circle ! Wasn't it good this week as there were many charges but mostly for Franga.... well deserved too as he ended up with the \*Dummy Spit Shorts\* fresh off Steamer ! (When I say fresh, I don't mean actually !) The R A was in fine form dispensing her acid tongue lashing at all and sundry ... plus, much joy and mirth ensued when Wisecrack got fined for trying to \*SHEPHERD\* Franga (can you imagine ...!) as well as the icy pole drink stop ! Jokers and true story tellers were in abundance this week and we ended up singing (not as badly as usual ...) the Freo song.

A good meal followed with all the camaraderie and friendship that constitutes this fine Hash Harriers Group.

Still sucking ...

Pink Bits xxx
