## Last Week's Run Report

### Hares; Tandem's Run & Cookie's Food.

#### Location; South Fremantle

Winter Is Coming .....

Well, you could have thought that on this week's run. It was a very cold and windy evening and froze the packs pointy, sticky-outy and dangly bits .....

Due to some technical difficulties, there is not much pre or during-run info but at the circle (held with Hashers against a large brick wall - like stunned rabbits caught in a searchlight - ) the score was quite high for the Hare Tandem. Seemed it was well marked most of the way with a drink stop !

As the RA was missing ( on her knees again ....) we had a stand-in RA in the guise of X-Ray, who was in the middle of a great rendition of why he was charging someone .... when out of the windy gloom appeared the REAL RA ( \*note: not that X-Ray was not REAL or a good stand-in !) However, in her wisdom, the RA decided to let X-Ray finish his show and she only had a little moment of glory

As the cold was getting to everyone (and everywhere) the late-comers were fined and lots of jokers and true story tellers were invited in to do their stuff. then, yet again, we caused some poor unsuspecting neighbours to put bananas in their ears, as we attempted to warble through our song. (NOTE Choir practice will be mandatory along with own plates and eating irons ....) We then raced over to the BBQ to warm up and have a jolly decent seafood dinner for which we say thanks to Cookie ...!!!
