Last Week's Run Report

YO HO, (HO) AND A CASK OF PORT !

Modest turn-out for the birthday celebrations for Yo-Ho. We were instructed by the very capable Cat Flaps, as he had done the honours for Yo-Ho, who was busy with meal prep.

There was a walkers and runners trail so it was a good idea to keep up with the Hare (he was walking ...) As we were on a promise of a drink stop, we set off sharpish full of anticipation. Almost immediately, the runners were milling about from left to right looking for trail. It was a breeze for the walkers "keep up with Cat Flaps" and we were always following trail ? or is that the Hare ?

The Freo 6's were not overly supplied so on occasion the trail was a bit unclear but ... "keep up with Cat Flaps" was a good motto ! We seemed to circle around the leafy HILLY streets of Freo in ever increasing twists and turns and just when we were convinced we had missed the drink stop(NOcouldn't have as we had our eyes firmly fixed on the Hare ...) there it was just a few metres from the start. SNEAKY After we had *portified* ourselves, it was a hop skip and jump back.

At the start of the circle, the ranks had swollen to considerable numbers funny that so there were a few charges for tardy arrivals, no Hash gear and such. The Hare was fined for suspicion of setting the run by electric bicycle (NO ... NEVER)

The mysterious R A showed himself (no not in that way) It turned out to be one of the *chosen* dignitaries - SIR Shaft Sniffer He tried imitating the real R A but it was a poor effort ! Still he opened the floor to charges and they continued in a random crazy way toAAARRRGH ! ICE ...but guess who got the broken ice bag Yep Sir S S himself. About then he had company with the Hare enjoying a numb bum too ! In his best effort ever, Ah's Up told a fabulous true story that went on and on and on and on and on(blue bums were starting to make eyes water) All the birthday peoples had down-downs and celebrations exhausted, we eventually sang a tortuous version of our song. Nosh was a delish chilli con carne thanks Yo-Ho

Freo Heave Ho H4 Songs

Fremantle Hash Song #1

(To the tune of 'What Should We Do with the Drunken Sailor')

What do you do on a Wednesday evenin'
What do you do when you need some drinkin'
What do you do when your feet are itchin'
Run with H6 Freo

What do you do on a Wednesday evenin'
What do you do when the horn needs blowin'
What do you do when the trail needs blazin'
Run with H6 Freo

Heave Ho and Up she rises,
Heave Ho and Up she rises,
Heave Ho and Up she rises,
Run with H6 Freo

ON ON!

Fremantle Hash Song #2

(To the tune of 'Love to have a beer with Duncan')

Oh, I love to drink piss with Freo
We're the mighty Freo Hash, We run in moderation
We swear we root, and get smashed

On On with our mates on Wednesdays
Cause the atmosphere is great
Oh I love to have a run with Freo
Cause Freo's me mate

You don't fuck around with Freo
And get the RA all up tight
She'll make you rip your gear off
She'll put your arse on the ice

On On with our mates on Wednesdays
Cause the atmosphere is great
Oh I love to have a run with Freo
Cause Freo's me mate (Shit yeah)
I love to drink piss with Freo,
Cause Freo's me mate **ON ON!**
